Experience

Marketing Manager, My-Communication Academy; online from Syria – Oct 2022- Present

As a Marketing Manager at My-Communication Academy, I led digital marketing initiatives to enhance the online presence of this telecommunication engineering courses provider. My responsibilities included devising and executing digital marketing strategies, content creation, SEO and SEM management, social media engagement, data-driven decision-making, and fostering partnerships in the industry. This role allowed me to leverage my passion for marketing and technology trends to drive the academy's online growth and success.

Marketing supervisor, DastN UG; online from Syria – med 2020 - late 2022

I was responsible for all the digital marketing operations, such as website management, website development support, on-site marketing, SEO analysis, SMM, brand management, advertising management, and corporate social appearance-related tasks. In addition to the media production process, product launch process, marketing strategy, and marketing process development.

Marketing Manager, Tanweer Ltd; Tartous, Syria – 2019-med 2020

I was responsible for leading marketing operations teams, brand management, advertising management, and archiving marketing strategy goals.

Graphic designer, Tanweer Ltd; Tartous, Syria – 2018-2019

I have been responsible for producing social media designs and Visual corporate appearance-related tasks.

Marketing, Syrian British Center (SBC); Tartous, Syria – 2017-2018

I have been endorsed to work as a marketing team leader. I was responsible for media production, sales support, and marketing strategy. Brand management was my latest responsibility before leaving the job.

Graphic designer, Syrian British Center (SBC); Tartous, Syria – 2017-2018

I was responsible for all the social media designs and some of the video presentations. Using Photoshop as a primary tool and other tools like Illustrator, Premiere, and InDesign

Photographer and Graphic designer, Freelancer; Damascus, Syria – 2014-2017
I have been passionate about photography and cinematography since my childhood and have been trained by professional photographers and professional DOP.
